HAKI Design Tool

Welcome to HAKI's 'NEW' portal of digital tools. HAKI will be updating this platform with new functions/apps to give the user a complete toolbox to meet the industry's demands from the clients. HAKI is proud to have started this journey and early indications from the market shows that we are at the forefront of Virtual Design & Construction and right on track.

If you have any questions or need an introduction please contact your local HAKI office to get more information. // Team HAKI VDC
